

See page two of this document for CDC definition of “Determining COVID-19 Community Levels”

<p>COVID-19 COMMUNITY LEVELS LOW</p>	<p>COVID-19 COMMUNITY LEVELS MEDIUM</p>	<p>COVID-19 COMMUNITY LEVELS HIGH</p>
<p>Resume normal operations and activities.</p> <p>Mask Optional</p> <p>Highly recommend vaccination and booster shots for those that are eligible.</p>	<p>SERVICES</p> <ul style="list-style-type: none"> • We will limit the number of people in the sanctuary in order to maintain enough social distance. • Only vaccinated congregants can attend. Children (younger than 5 years of age) that are not eligible for the vaccine must be PCR tested 72-hours prior to the event. • Advance registration will be required to attend services, and attendees and their family groups will be requested to socially distance from other attendees and their family groups. • If an individual or family shows up without registration, an inquiry will be made as to whether everyone in the group is fully vaccinated, and they will be informed of our request for them not to attend services if they are not fully vaccinated. • Masks must be worn while indoors. We ask that families sit together but socially distant from others. 	<p>SERVICES</p> <ul style="list-style-type: none"> • Return to Virtual services
	<p>SIMCHAS/LIFE CYCLE EVENTS</p> <ul style="list-style-type: none"> • We will continue to welcome back <u>outdoor</u> B’nai Mitzvah celebrations, weddings and other personal events, subject to the vaccination and/or PCR test requirements set forth above. • Food may be served <u>outdoors</u> with NO self-serve buffets. • Masks must be worn if not actively eating or drinking. 	<p>SIMCHAS/LIFECYCLE EVENTS</p> <ul style="list-style-type: none"> • We will allow in-person B’nai Mitzvah services but will not be able to host parties on campus. Only family members will be permitted in the sanctuary, subject to the vaccination and/or PCR test requirements set forth. • Masks will be required.
	<p>PROGRAMMING</p> <ul style="list-style-type: none"> • Most programming will move to a virtual platform. • Outdoor programming will be allowed. 	<p>PROGRAMMING</p> <ul style="list-style-type: none"> • All programming will move to a virtual platform

Determining COVID-19 Community Levels

New Cases ¹ (per 100,000 population in the last 7 days)	Indicator	Low	Medium	High
<200 cases	New COVID-19 admissions per 100,000 population (7-day total) ²	<10.0	10.0-19.9	≥20.0
	Percent of staffed inpatient beds in use by COVID-19 patients (7-day average) ³	<10.0%	10.0-14.9%	≥15.0%
≥200 cases	New COVID-19 admissions per 100,000 population (7-day total)	NA	<10.0	≥10.0
	Percent of staffed inpatient beds in use by COVID-19 patients (7-day average)	NA	<10.0%	≥10.0%

The COVID-19 Community Level is determined by the higher of the new admissions and inpatient beds metrics, based on the current level of new cases per 100,000 population in the past 7 days.

¹Number of new cases in the county in the past 7 days divided by the population in the county (or other administrative level) multiplied by 100,000.

²Total number of new admissions of patients with confirmed COVID-19 in the past 7 days divided by the total population in the Health Service Area, multiplied by 100,000.

³Percentage of staffed inpatient beds in use by patients with confirmed COVID-19 within the entire Health Service Area (7-day average).
